gorgonize \GAWR-guh-nahyz\, verb:

To affect as a Gorgon; hypnotize; petrify.

Shorten it, then, to what is functional, direct and bluntly, derogatorily descriptive. Of his awful power to horrify, to gorgonize, to chill.

-- Christopher Rush, Last Lesson of the Afternoon

Mortimo Planno could gorgonize foes with a stony stare, but his deep baritone voice was seductive and unexpectedly disarming.

-- Colin Grant, The Natural Mystics

Gorgonize is the verbification of an ancient Greek mythological figure. The Gorgons were three sister monsters commonly represented as having snakes for hair, wings, and brazen claws. Their eyes turned anyone looking into them to stone. Thus to gorgonize someone is to turn them into stone.

allocution \al-uh-KYOO-shuhn\, noun:

1. A formal speech, especially one of an incontrovertible or hortatory nature.
2. A pronouncement delivered by the pope to a secret consistory, especially on a matter of policy or of general importance.

The little crowd, with some ironical cheers and hootings, nevertheless felt the force of Madame Fribsby's vigorous allocution, and retreated before her...

-- William Makepeace Thackeray, The History of Pendennis

Towards midday, the abbé Pirard took leave of his pupils, not without first delivering a severe allocution.

-- Stendhal, The Red and the Black

Allocution stems from the Latin root alloqu? which meant to "to speak, address." The suffix -ion forms nouns from stems, as in the words communion
