Blast from the Past:

ANACORTES WATERFRONT SHOW

May 17, 1998, by June Reed

The day started with clouds and ended with clouds, but no rain. We arrived about 7 AM and helped the other early risers, Overton, DeLeonardo, Duckens, Foster, Gilbert, Humann, Humphreys with Pepper, Michelle, Olson and Maryott to get things set up. Overton and Maryott already had their cars in place. It wasn't long before Holds, Page/Watson, Spurrier, Martin/Franzen, and Strowbridge arrived with their cars. Shortly after their arrival more cars starting coming.

When registration was closed we had 71 cars registered. Not bad for a cloudy and rather cool morning. My favorite was the "General Lee" car that was bought from Warner Brothers. It was one of the stunt cars that did the two wheel stunts in the TV show. Dukes of Hazard. We also had a 1940 "Willys" and a Kenworth replica truck among the many magnificent cars that were displayed. During the day other club members were spotted: Barco, Bartek, Paulette DeLeonardo & children, Anita Foster, Jan Maryott, Linda Gilbert, McAtees, Lucille Michelle, Nagels, Nelsons, Brian Olson, Sandy Overton, Shafer/Helen, Sampson and Spurrier's friend, Ruth.

(Blast from the Past: continued)

Door prizes and raffles were drawn about 2 PM and we sold a lot of raffle tickets for that 10 yards of gravel. The lucky winner was from Bellingham. The trophies were given out at 2:30 PM to several lucky winners. Among them were some of our club members: Maryotts (49 Cadillac), Duckens (65 Corvette), Overton (78 Corvette), and Martin/Franzen (57 Chevy Belair).

Congratulations to all!

After the trophies were given out we packed up everything and headed over to Dave and Sandy Overton's for hotdogs, hamburgers, snacks and desserts. I think everyone was hungry from the day's activities and everything was greatly appreciated from the food to the good friendships. Thanks Dave and Sandy for having us.

See you all at our "All Corvette Car Show" at Red Robin Restaurant in Burlington on June 20.

The waterfront festival had entertainment and food booths for the people's enjoyment. Jack DeLeonardo, one of our club members, brought his mobile medical van. Luckily no one had any injuries. Thanks Jack!!

Corvette News:

The Mecum Auctions event on June 5-6 at Century Link field in Seattle will have a few interesting cars:

“The Camouflaged Soldier” 1969 Chevrolet Corvette L88 coupe is a very rare, **unrestored** example whose history includes three decades (1976-2006) in careful storage.

One of 116 produced in 1969, Sold new at Selman Chevrolet in Orange, California. Original 427/430 HP L88 engine with heavy duty M22 4-speed transmission, F41 heavy duty suspension and J56 special heavy duty brakes.

OR two 427 Camaros including a 1969 Yenko, one of the first 50 ordered by Yenko under the COPO 9561 program. Sold new at Joseph Chevrolet in Cincinnati, Ohio, it was also delivered with the COPO 9737 Sports Car Conversion equipment. Fully rotisserie restored.

The other is a really pretty Rallye Green COPO. It was also stored from 1978 to 2002. The former racecar is fully restored and the rebuilt engine block is a replacement dated to 1969 (installed in 1971). The 11.0:1 compression engine is detailed to restoration standards and made 477 horsepower on the dyno.

Or, if you're not adverse to the Blue Oval, there's this toy: 1965 Mustang Factory A/FX, 427 CI SOHC engine. Holman Moody produced only 13 of these altered wheelbase cars of which 5 are known to exist. Believed to be the only unaltered wheel base car left.

Corvette Racing:

MONTEREY, Calif. – Richard Westbrook and Michael Valiante gave the Corvette Daytona Prototype its third straight victory in the TUDOR United SportsCar Championship on Sunday. The pairing won the Continental Tire Monterey Grand Prix at Mazda Raceway Laguna Seca in their VisitFlorida.com Racing No. 90 Corvette DP.

Corvette Daytona Prototypes took four of the top five positions in the fourth race of the season. Sunday's result increased Chevrolet's lead in the Prototype Engine Manufacturer championship, and it vaulted Westbrook and Valiante into the lead of the Prototype Driver's standings.

In GT Le Mans, Corvette Racing's two Chevrolet Corvette C7.Rs finished sixth and seventh in class. Gavin and Milner in the No. 4 Corvette posted their best finish since a third-place result to start 2015 at Daytona. Milner qualified fifth but was balked at the start and had to cede two positions. Gavin drove the final 57 minutes and suffered a minor hit by a Prototype Challenge car but otherwise had an uneventful stint.

Two-time and defending Laguna Seca class winners Garcia and Magnussen found frustration early and often in their race. Garcia started near the rear of the field after an overnight engine change but quickly moved through the slower GT Daytona field. Unfortunately he suffered right-front body damage as two prototypes worked the field.

Word of the month:

Dudgeon: Noun - a fit of resentment, offense, or anger, now usually in the phrase “in high dudgeon”; a feeling of indignation at something regarded as a wrong or insult.

I was in extreme *dudgeon* when I returned to my almost new Cyber Grey Corvette to find an inch and a half white scratch on the driver's side mirror!

Recipe of the month:

SLOW COOKER BBQ RIBS

Ingredients:

- 1-3 slabs of back ribs (3 pork back slabs are shown in the picture)
- 1 can / bottle of Coke or Dr. Pepper (I used a bottle for my 3 slabs)
- Sweet Baby Rays BBQ Sauce (or one of your choosing)
- Salt and Pepper to Taste

Directions:

Place ribs in a circular way to fill your slow cooker. Pour soda/pop over ribs, sprinkle salt & pepper over ribs - cover and cook on **LOW** for 7 hours. Empty liquid from the slow cooker. Pour a bottle of Sweet Baby Rays BBQ Sauce (or bbq sauce of your choice) over ribs and cook on **HIGH** for an additional 1 hour.

Be super careful when removing ribs from the slow cooker - they are **FALL OFF THE BONE YUMMY!**
