Blast from the Past:

Waterfront Festival Car Show

Sunday, May 16, 1999, by Donna Ducken

What a disappointment it was to wake up Sunday morning to rain after the gorgeous sunny day we had on Saturday. Never the less, the show must go on and many were there when Steve & I arrived at 7:00 a.m. Unfortunately Linda Telles, Linda Gilbert and Steve Nowicki were sick and couldn't perform the duties they signed up to do. No problem, others quickly filled in to cover their positions for the show.

Chris Barker, Duckens, Ron Foster, Doug Gilbert, Hammers, Kevin Humann, Humphreys, Paul Kellogg, Ande Michelle, Oistens, Joanne Olson, Dave Overton, Reeds, Ron Telles and Drew York all pitched in to set up. Steve D. climbed on top of the overhang to spread out the tarps that "always prepared" Jim Reed had thrown into the trailer.

Ande found a wood pile and "borrowed" some boards to make an overhang with the second tarp. It was a comedy of errors putting the first gazebo together but the second one went up easily. Once we were organized we kind of looked at each other and wondered how it would be if no one came! Not to worry, cars soon began arriving and to our surprise we ended up with 68 entrants.

Everyone was in good spirits and almost all bought extra door prize and raffle tickets.

(Blast from the Past: continued)

The new areas we had to park worked out well and the sound system reached everyone!

In fact Steve picked such good CDs to play that many participants wanted the titles and Jim thought we could have made some extra money had we had some copies to sell!

Because of the rain the only place to count money and the ballots was in the Reeds pickup..good thing we had it there! The rain never let up until around 1 p.m. and then everyone dried off their cars and opened their hoods and the public appeared out of nowhere!

Right before the trophy presentation, I gave away the 6 raffle items we had. The first 3 numbers I drew belonged to our club members and many were jokingly grumbling about it , in particular a Whidbey Cruisers member named Ray. I "invited" Ray to come up and draw the next winner, which he did. The ticket he drew belonged to..HIS WIFE!

It was all above board but such a funny coincidence! We had 36 trophies to give away and I was delighted to award 1 to Paul Kellogg with his "new" 1994 coupe (to replace the one he totaled). Other club winners were Duckens, Humann, Martin/Franzen and Overton.

I heard nothing but compliments on how fun this show was and imagine how many cars we would have had if it would have been sunny!

After tearing down, which went quicker than the set up, we headed out to go eat. But first I'll tell you that during the tear down. Drew climbed up to untie the big blue tarps and first gave Jim Reed a "shower" and then tried to "drown" Doug Gilbert! They both survived and after a nice meal at Randys we said our goodbyes and headed for home. It was a long tiring day but tons of fun. If you have never worked one of the shows you are really missing out on some great comradery.

A big thanks to all who came out to support our show (other clubs) and members who gave up their Sunday to help.

Until the next time..remember what I always say..Save the Wave!
