Blast from the Past:

Big 3 Car Show
Sunday, May 2, 1999
by Donna Ducken

Yawn..early on Sunday Steve & I, Carl Barco, Gilberts, Ron Foster, Hammers, Kevin Humann, Martin/Franzen, Ande Mitchell, Nelsons, Steve Nowicki, Oistens, Overtons, Jack Pellham, Reeds, Humphreys and Telles arrived at Jerry Smith Chevrolet to set up for the car show.

The trailer was quickly unloaded and the tables set up. The sky was quite overcast but there was no rain. Unfortunately it was very, very cold. The registration was set up, as were the door prizes, barricades up and the change fund for the entry fee was prepared. Then we waited. Soon a few cars rolled in but not as many as we had hoped. In all we had 40 cars. Several others from our club made an appearance, Rydstrands, Kellogg, Barker, Stroebel and Debbie Barco.

We had the music playing and I made several announcements. Someone came up to me and told me to go look at our car so I did. And I found that we had a "Donna-Jack" on our antenna 1 Long blond hair and my name on it! Who was it from (Nowickis???) Linda O. and Linda G. along with Rita did an excellent job of selling raffle and door prize tickets. I think the fact that we had a Corvette poster to give to each person buying \$5 worth of tickets helped. Plus we had some fabulous door prizes donated from several auto parts stores in Oak Harbor as well as several club members. Sandy ran her poker run inside the showroom since it never did warm up and had 19 people sign up and play.

It cleared up a bit so several, including Steve D., went and opened up the hoods on their cars. No sooner done then a "lazing duck" appeared on top of our radiator. Closer inspection showed a name tag that said "Duckman"! (Ron Foster, was that from you???)

(Blast from the Past: continued)

Ann was having so much fun helping to sell raffle tickets and listening to the music that she broke out in song. She was doing such a good job singing that Steve decided he should turn the microphone on for her..unbeknownst to Ann.

Jim and Ande stood up by the road beckoning cars to come to our show..guess we should have had them wear shorts!! All the ballots were in by noon and they were quickly tallied.

Since so many were freezing I decided to end the show early and began the trophy presentation at 1 p.m. The first order of business was to call the raffle ticket numbers since we had 5 items to give away. That done and with Linda G. as the "trophy girl" we began.

Someone yelled out that everyone winning had to kiss the trophy girl and Jay, from the Valley Cruisers, took that challenge to heart. He really laid one on her! Not to be out done, when called to accept his trophy, Doug did one better! Now all the gals are clamoring to be the trophy girl for the next show!

Winners from our club were Barco, Duckens, Gilberts, Hammers (took 1" in their class), Madison (non Corvette), Nelsons (1" in their class!), Martin/Franzen (1*' in their class Sc best Ford!), Nowicki (non Corvette), Overton (took best GM!)and Reeds (non Corvette).

Cars began pulling out and the club trailer was loaded. Many of us took off for the Farmhouse Inn to have a beverage and some hot food and warm up! Later I received many thank yous for a wonderful show and our registration sheets and ballots had the same positive comments. Too bad we once again had such poor weather but in the future if we hold this show later in the year I believe we will have a great turnout as it is a really fun time. Thanks to all who braved the cold and came out to help. We couldn't do it without you!

So until the next one, drive carefully and Save the Wave!!!!.
