Bayview Cruise Report
Barb & Bill Strowbridge

Bright and early Sunday morning our Turquoise beast was nestled in the shop, clean and ready for what promised to be a good MGCC outing. Then it started to rain, but who cares; it usually rains on club functions and who needs a clean Vette to have fun. The rain soon stopped and we were on our way to Round Table to meet the others at 11:30 AM (our firm tentative meeting time and place).

Waiting at Round Table to start our cruise were: Ron & Linda Telles, Tom Spurrier, Dick Shafer, Dave & Sandy Overton, Steward & Ann Humphreys, Doug & Linda Gilbert, Ron & Anita Foster, Leo & Penny Fix, Steve & Donna Ducken, and Joyce & Larry Smith (our new members) with their impressive red '67 coupe.

Once again Linda and Doug came up with a tour of unknown back roads that exposed us to some beautiful country side and poor struggling farmers existing on their subsidized holdings. At one point Mom pointed out an elk to the group!

(Blast from the Past: continued)

We then entered La Conner and paraded our toys down the main street.

All the tourists were suitably impressed and one was heard to say that it was VETTE DAY. We were all concerned about Dick Shafer's virtues when several female tourists realized he was all alone in that beautiful Silver Collector Edition, but he resisted their advances.

We then headed for Bayview International Airport where Ron and Linda Telles designated Tom Spurrier official taste tester for Linda's food and, if the truth were known, we'd suspect Anita and Ron Foster also had a hand in Tom's appointment.

It should also be noted that Sandy and Dave's car made it over the railroad crossing without their Vette dragging bottom. Dave said his bottom has been much better since he got some new equipment installed!

Ann and Steward Humphreys and Penny and Leo Fix sucked us into a lively discussion about politics at the "quieter" end of the table. The topics ran from disgust to outrage to jokes. We all agreed that "Big Brother" is getting too far into our lives and our wallets. Meanwhile Steve and Donna kept the sound level turned up at the noisy end of the table.

Oh, yes,...we did have some lunch. The Bayview is a nice restaurant and from our seats we had a beautiful view of 11 of the sharpest Vettes around.

Good service, great company, wonderful weather, and to all a good day!

So until the next one, drive carefully and Save the Wave!!!!.
