Blast from the *Past*:

Smitty's Car Show March 1998

By Doug GIlbert

We awoke Sunday morning to a downpour, but by the time we were ready to meet at Round Table Pizza the weather had gotten better. We met Tom Spurrier who brought a friend (her name was Ruth) and off we went to Oak Harbor. Met Darel Martin at Ducken Diagnostics, then toured down the road to Smitty's. The weather was unbeliveable, clear & sunny. It was the usual mix of really nice cars, hot rods, muscle cars, stockers & one other Corvette, a red 64 like mine. Jack DeLeonardo came by around noon and we sat down to some really great food. After lunch we all went out to see the triple black 98 convertible that Frontier Chevrolet brought by, Linda is already thinking about trading her Cadillac!! Trophys were awarded at 2:00 PM as the weather was going south on us, peoples choice went to a bronze 57 Thunderbird. the other winners were announced but only by car number so we didn't know what car won what. All in all it was a fun show and we got home without getting rained on. Lets hope the weather is as cooperative for our next event.

Corvette News:

Would you buy one of these:

What if Chevrolet made a *Corvette SUV*?

Maybe that's not so far-fetched. Corvette is a singular car within Chevrolet, and in many ways is a performance brand unto itself. Almost every performance brand now has its own crossover; the most prominent of which is Porsche's moneymachine, the Cayenne.

Did you know: Farm Humor

When you're from the farm, your perception is a little bit different.

A farmer drove to a neighbor's farmhouse and knocked at the door. A boy, about 9, opened the door. "Is your dad or mom home?" said the farmer.

"No, they went to town."

"How about your brother, Howard? Is he here?"

"No, he went with Mom and Dad."

The farmer stood there for a few minutes, shifting from one foot to the other, mumbling to himself, when the young boy says, "I know where all the tools are, if you want to borrow one, or I can give Dad a message."

"Well," said the farmer uncomfortably. "No, I really want to talk to your Dad, about your brother Howard getting my daughter Suzy pregnant."

The boy thought for a moment, then says, "You'll have to talk to my Dad about that. I know he charges \$500 for the bulls and \$150 for the pigs, but I have no idea how much he charges for Howard."
