## **Blast from the *Past*:**

### **Trailer Work Day**

Sunday, April 18, 1999 by Donna Ducken

Gray skies didn't stop Duckens, Nelsons, Gilberts, Mitchelles, Ron Foster and Ron Telles from showing up at the Reeds to help with the trailer. The guys waxed the sides and pondered how to load things while us gals stuffed goodie bags and packed newspaper around the trophies. Soon we had the trailer loaded!

But that's when the guys decided to try some different rims on the trailer. Ron Foster drove home and came back with 2 to try, but neither fit. Not to worry, he had more! So he made another trip and found a rim that would fit. But since it would require some longer studs, etc. we opted to just leave the stock tires and rims on for now.

## **Blast from the *Past* (continued)**

After all that hard work we went inside where it was warm and cozy and there was food! What a spread.

We munched and chatted until it was time to head home. It was a very nice way to spend a Sunday afternoon!

The only thing is we forgot to inventory the door prizes for thank you notes so will have to do it at the show!!!!

Many, many THANKS to all who came out and helped. It sure made it a fun way to work.

## Corvette News:

### Can't outrun the law in New Braunfels Texas –

One police department in Texas, however, seems to have taken after Miami Vice instead of Walker, Texas Ranger. The modded C6-gen Corvette Z06 was seized—along with other cars, jewelry, guns, cash, and property all valued at more than \$1 million—during a meth raid conducted with the help of the Drug Enforcement Agency in the summer of 2011.

## Corvette Racing:

### Antonio Garcia and Jan Magnussen won their second race of the season –

Corvette Racing's Antonio Garcia and Jan Magnussen won their second race of the season in the IMSA WeatherTech Sports Car Championship on Saturday in the #3 C-7R with a GT Le Mans (GTLM) victory at COTA in Austin Texas.

The No. 4 Corvette Racing crew worked quickly to replace several suspension and brake components at the front and rear. Despite the setback and multiple trips to the garage, the No. 4 Corvette finished seventh in class.

*(Little known fact: Jan Magnussen's son Kevin drives for the Formula One American team Haas!)*
