#### Old Business:

The Lyman show was a lot fun and food. There were 3 covers to keep us out of the sun. Their 50/50 was \$1000.00! Jack Duncan won 2nd place for his 74 coupe, Bryan won 2nd place with Buford, and Doug won 1st place with his El Camino.

The Skagit Casino Show was a really good show. There were over 340 cars and 50 trophies. The casino workers were the judges that picked cars they "liked". We were able to park in the grass. It was really hot.

The Vietnam Veterans Show had over 250 cars. This was a great show for a great cause. The trophies were hand made. Bill Ruch and Bryan both got 1st place for their vettes. We made a donation of \$250.00 to them.

#### New Business:

Bill Ruch would like to re-start the point program. He will take that task on and will start January 1st. Board members are not included in this.

Edgar received an email from the Wenatchee Valley Corvette Club to join them on a cruise on August 18th on the North Cascade Highway for a lunch box gathering. If interested, please email John Lucke.

We had 3 visitors attend. Ben and his girlfriend Tonya. He owns a red 2016 Stingray which is his daily driver. Tyler who owns a 2003 Red Z06 which he calls his Weekend Warrior.

### Is your C7 paint job too boring, Check Out This Rad Corvette C7.R Graffiti Livery

The fluorescent paint pops from every angle in any lighting. Larbre must have decided a bright yellow C7.R didn't already stand out enough on the racetrack. It glows in the dark to give the drivers "some positive energy" according to the artist. If you happen to watch Le Mans at night, you'll have no trouble picking out the #50 Larbre C7.R.

### Gavin: Corvette will bounce back from mediocre Le Mans

Oliver Gavin, a five-time Le Mans 24 Hours class winner with Corvette Racing, is convinced the team will "come back stronger in 2019" after a subdued performance at this year's race.

The Gavin/Tommy Milner/Marcel Fassler-driven #64 C7.R was knocked back by two mechanical issues before retiring with overheating in the morning hours.

Corvette's #63 car piloted by Jan Magnussen, Antonio Garcia and Mike Rockenfeller, crossed the line fifth in category, but following the #67 Ford GT's post-race penalty, was classified fourth.
