MGCC Announcements:

ALL club activities are cancelled until sometime next Spring.

Any events will be planned to maintain proper distancing and please bring your mask.

It is with sadness that we announce the passing of Jim Reed.

Jim and June had been members of MGCC since 1992 (28 years). June passed away in 2017 and Jim moved to Where the Heart Is in Burlington not long after.

Jim and June had a significant impact on MGCC through the years in leadership roles, leading tours and road trips, hosting the annual Halloween party, newsletter contributions, and gathering items for our car show raffles.

Our sympathies go out to their daughters and families.

'Twas the Night Before Christmas – Corvette Style

'Twas the night before Christmas and out in the garage,
There wasn't a trace of a Porsche, Ford, or Dodge.
The presents were wrapped and the lights were all lit,
So I figured I'd mess with my classic Corvette for a bit.

I popped the release and lifted the hood,
When a deep voice behind me said "looks pretty good."
Well, as you can imagine, I turned mighty quick,
And there, by the workbench, stood good ol Saint Nick!

We stood there a bit, not too sure what to say,
Then he said "don't suppose that you'd trade for my sleigh?"

"No way, Santa" I said with a grin,
"But if you've got the time we can go for a spin!"

His round little mouth, all tied up like a bow,
Turned into a smile and he said "Sure! Let's go!!"
So as not to disturb all the neighbors' retreat,
We quietly pushed the Vette out to the street,

Then, taking our places to coast down the hill,
I turned on the key and I let the clutch spill.

The sound that erupted took him quite by surprise,
But he liked it a lot, by the look in his eyes.

With tires a' screaming and side pipes aglow,
We headed on out to where the hot rodders go.
And Santa's grin widened, approaching his ears,
With every shift up as I banged through the gears.

Then he yelled "can't recall when I've felt so alive!"
So I backed off the gas and asked Santa if he wanted to drive.

O! Santa was stunned when I gave him the keys,
When he walked past the headlights he shook at the knees!

The Corvette exploded with side exhaust sound!
And when Santa let out the clutch and the tires shook the ground!

Power shift into second, again into third!
I sat there just watching, at loss for a word,

Then I heard him exclaim as we blasted from sight,
"Merry Christmas to all, it's one hell of a night!!!"

Corvette Racing:

CORVETTE RACING AT 12 Hours of Sebring: Losing the battle but winning the war!

SEBRING, Fla. (Nov. 14, 2020) – Corvette Racing endured a tough close to its championship-winning season at the Mobil 1 Twelve Hours of Sebring on Saturday, but it ended 2020 with a tremendous level of success in the first year of the mid-engine Chevrolet Corvette C8.R.

A pair of suspension issues relegated the two Mobil 1/SiriusXM Corvette C8.Rs to fifth- and sixth-place finishes in the final race of the IMSA WeatherTech SportsCar Championship. It didn't take anything away from the program's achievement of sweeping the full-season GT Le Mans (GTLM) class championships: Manufacturers title for Chevrolet, Drivers Championship for Antonio Garcia and Jordan Taylor, and Team title for the No. 3 Mobil 1/SiriusXM Chevrolet Corvette C8.R.
