**Corvette News:**

**Bucket List Road Trip in C8 Corvette:**

What would you do if you had 19 days and a brand new C8 Corvette (for which you'd waited 14 months to receive)?

The goal was to see as many iconic driving roads, scenic routes, and National Parks as possible in only 19 days. In those two-and-a-half weeks, he chased Porsches on the Pacific Coastal Highway, traversed snow and dirt roads near the Grand Tetons and Cascades, took high-speed runs in the deserts outside of Death Valley, and saw grizzlies, coyotes, and bison in Yellowstone.

### **CORVETTE RACING AT DAYTONA: Rolex 24 GTLM Victory for No. 3 Corvette C8.R**

DAYTONA BEACH, Fla. (Jan. 31 2021) – For the fourth time in its history, Corvette Racing stood on the top step of the podium in the Rolex 24 At Daytona as Antonio Garcia, Jordan Taylor and Nicky Catsburg won the GT Le Mans (GTLM) category in the No. 3 Mobil 1/SiriusXM Chevrolet Corvette C8.R.

The No. 3 Corvette trio led a 1-2 finish for the mid-engine C8.R, which scored its first endurance victory. Tommy Milner, Nick Tandy and Alexander Sims placed a hard-fought second in the No. 4 Mobil 1/SiriusXM Corvette in the biggest race of the IMSA WeatherTech SportsCar Championship.

Cooking

Ina gives these a double dose of maple flavor, in the dough and in the glaze. She likes the smoky sweetness of Grade A maple syrup.

## MAPLE-OATMEAL SCONES

ACTIVE: 30 min | TOTAL: 50 min  
MAKES: 14 large scones

### FOR THE SCONES

- 3½ cups all-purpose flour
- 1 cup whole-wheat flour
- 1 cup quick-cooking oats, plus additional for sprinkling
- 2 tablespoons baking powder
- 2 tablespoons granulated sugar
- 2 teaspoons salt
- 1 pound cold unsalted butter, diced
- ½ cup cold buttermilk
- ½ cup pure maple syrup
- 4 extra-large eggs, lightly beaten
- 1 egg beaten with 1 tablespoon milk or water, for egg wash

### FOR THE GLAZE

- 1¼ cups confectioners' sugar
- ½ cup pure maple syrup
- 1 teaspoon pure vanilla extract

**1.** Preheat the oven to 400°. In the bowl of an electric mixer fitted with a paddle attachment, combine the flours, oats, baking powder, sugar and salt. Blend the cold butter in at the lowest speed and mix until the butter is in pea-size pieces. Combine the buttermilk, maple syrup and eggs and add quickly to the flour-and-butter mixture. Mix until just blended. The dough may be sticky.

**2.** Dump the dough out onto a well-floured surface and be sure it is combined. Flour your hands and a rolling pin and roll the dough ¾ to 1 inch thick. You should see lumps of butter in the dough. Cut into 3-inch rounds with a plain or fluted cutter and place on a baking sheet lined with parchment paper.

**3.** Brush the tops with egg wash. Bake for 20 to 25 minutes, until the tops are crisp and the insides are done.

**4.** To make the glaze, combine the confectioners' sugar, maple syrup and vanilla. When the scones are done, cool for 5 minutes and drizzle each scone with 1 tablespoon of the glaze. I like to sprinkle some uncooked oats on the top, for garnish. The warmer the scones are when you glaze them, the thinner the glaze will be.

"I like to map out all the potholes before I take my Corvette out. I'm only doing 18 miles today."

*Bob liked to take a little reconnaissance run before driving his Corvette down any unknown roads. As such, he also has one of the lowest mileage Corvettes in his club!*
