2024 Caravan to Bowling Green

If you are interested in going on the 2024 Corvette Caravan in August 2024, go to [Pacific Northwest Caravan \(pnwcaravan.com\)](http://pnwcaravan.com) and register. You can also join their Facebook group, (Pacific Northwest Corvette Caravan). Details are starting to be published about the hotels and stops.

Often referred to as the world's largest moving automotive event, the National Corvette Caravan is a celebration of America's Sports Car, culminating in Bowling Green, Kentucky for the anniversary celebration of the National Corvette Museum.

Hosted every five years, the next event is slated for Labor Day Weekend 2024 and will mark the Museum's 30th Anniversary. The Pacific Northwest Caravan is only one of approximately 20 different caravans from all over the United States heading to Bowling Green. The PNW Caravan will depart from Sandy, Oregon, and Issaquah, Washington simultaneously on the morning of August 22nd and merge in Pasco, Washington for lunch that same day. We will have six more days of adventure driving across our beautiful country and then arriving in Bowling Green on August 28th. (Quote from the website for the Pacific Northwest Corvette Caravan.)

Below is a map of the route which the Caravan will take:

A detailed day by day description of the route is below:

Day 1, August 22nd. 335 miles. We will be leaving from Evergreen Chevrolet in Issaquah, Washington and Dick Hannah Chevrolet in Sandy, Oregon simultaneously after a breakfast provided by the dealerships. Our drive will take us to Pasco where both caravans will merge and have lunch at McCurley Chevrolet. From there, we will drive to Spokane for the evening.

Day 2, August 23rd – Spokane to Butte, Montana should be a nice drive of around 314 miles. Lunch is planned at Missoula Chevrolet. Still trying to unwind from your job and relax? It might take a day or two. I find that Sirius Radio channel 16 (The Blend) or channel 17 (The Bridge) is a terrific way to chill out!

Day 3, August 24th – Butte to Cody, Wyoming. We will be driving on one of the most beautiful highways in the USA according to Charles Kuralt, who had a news series called "On the Road with Charles Kuralt"...some of you may remember. It is called the Beartooth Highway...one of the highlights of our caravan. This will be a spectacular drive that has pull-outs for pictures, full of adventure and sights that you will remember forever. Check it out. If you do not want to drive the Beartooth, we have an alternate route planned for you. Lunch at Laurel Chevrolet. The Pacific Central Caravan will be joining us that evening!

Day 4, August 25th – Cody to Cheyenne, WY – 394miles. Well...it might be one of those days that we want to get from point A to point B, but still a nice drive? There will be a stop in Casper for lunch. Corvettes of Central Wyoming have arranged for parking and food trucks at the Fairgrounds. Additionally, we have a dinner planned that evening at the Little America Hotel and Resort in their banquet hall. Afterwards, John Elegant, PNW Co-Captain will be leading an adventure sharing talk sprinkled with info on future C8 models along with what the C9 will bring. John is a walking, talking Corvette machine. You do not want to miss it!

Day 5, August 26th – Cheyenne to Lincoln, NE – 447 miles...what can I say...corn fields! To start the day, we plan to have breakfast at Tyrrell Chevrolet. We will have a wonderful drive across mid America taking in the sights! Why don't you put on the cruise control around 70-75 MPH and tune in to a little country western music! Tune into Sirius Radio channel 68...Prime Country...and enjoy!

Day 6, August 27th – Lincoln to Columbia, MO – 320 miles. We have arranged to have the Museum of American Speed all to ourselves early in the morning for a private tour. The museum will have doubled in size with new exhibits since the 2014 Caravan. If you love cars and speed, you do not want to miss it! It is eye popping and jaw dropping! Our caravan will leave from their parking lot later in the morning. We have decided to avoid Kansas City and will make our way out of Lincoln using Hwy 77 south to Hwy 2. East on Hwy 2 to I-29 south to St. Joseph, MO. Then East on Hwy 36 to Macon and then finally south on Hwy 63 to Columbia.

Day 7, August 28th-Columbia to Bowling Green. 400 miles. Our last day on the road will end in Bowling Green where we will have several days of fun at the NCM and factory tours if you sign up. There will be approximately 20 caravans arriving at Bowling Green on this day...all arriving at predetermined times. Since we have a long

day, we will be arriving late in the afternoon. You can choose to drive to the NCM and cross the imaginary finish line or go directly to your hotel. It is up to you! There really is no need to go to the NCM that late in the day unless you want to because we will have already given you all your registration papers before the PNW caravan starts. You can show up at the NCM the following morning all rested up and enjoy your first day at this wonderful event.
